Re: FOIA Request dated 4/8/19

Dear Mr. Martinez:

I am responding to the request for documents under the Illinois Freedom of Information Act ("FOIA") statute that was received by the Cook County State's Attorney's Office (the "SAO") on April 8, 2019 via e-mail. We thank you for your patience as we worked to process your FOIA.

You have asked for:

On 7/22/2016, then Governor Rauner signed Public Act 099-0622 (passed by the 99th General Assembly) a new law governing the use of "cell site simulators" by law enforcement agencies to take effect January 1, 2017.

Therefore under the Illinois Freedom of Information Act we are requesting:

- 1. Any internal documentation about the implementation of Public Act 099-0622 including changes to internal policies, any changes to directives or other memorandums of understandings.*
- 2. Internal communications including emails, documents, notes, and memos about the public act 099-0622. Please limit your search from January 1st 2016th to the present.*
- 3. If available, documents sufficient to show a blank search warrant application (electronic or otherwise).*
- 4. If available, documents sufficient to show a blank search warrant application (electronic or otherwise) after the passage of Public Act 099-0622.*
- 5. If available, documents sufficient to distinguish an electronic search warrant application versus a physical search warrant application.*
- 6. Any external communications between your office and any of the following departments (Cook County States Attorney, Chicago Police Department and the City of Chicago Department of Law)about Public Act 099-0622. (I am sending this request to multiple offices so be aware that this request is for _external_ communications).*
- 7. If available, documents sufficient to show how your office processes search warrants. For example, documents should be sufficient to show where a filed search warrant is sent for processing, where all search warrants are stored by your office etc.*

Records responsive to your FOIA are available for review and download at:

<https://www.dropbox.com/sh/zkp3lteesltqh18/AABxmKxW5ptxmmGGfoG4ma0ba?dl=0>.

The SAO possesses no records responsive to parts one and five of your request.

Sincerely,

s/Chloe K. Rasmus
